How to Get Donations From Walmart

You can apply online for *grant* money from *Walmart*

The National Endowment of the Humanities supplies opportunities for teachers to travel and learn both domestically and abroad, in many cases, with all expenses paid—including airfare, accommodations, excursions and daily meals.

The National Endowment of the Arts offers a variety of grants and fellowships for teachers in art-related disciplines. These opportunities will work well for teachers of art and English-related disciplines.

The NEA (National Education Association) Foundation awards grants to teachers with or without a membership. In fact, over the last 10 years, they have awarded more than \$7.1 million to fund nearly 4,500 grants to public school educators to enhance teaching and learning. They also provide scholarly resources, assistance with professional development as well as life insurances and so much more.

Teach.com (Funds for Teachers) is a teaching resource database that assists teachers by providing funding for professional development, classroom enrichment/student achievement, STEM (Science, Technology, Engineering and Math), as well as humanity grants.

Arizona Diamondbacks Foundation, Inc. and University of Phoenix
<https://www.mlb.com/dbacks/community/education-initiatives/school-challenge>

Deadline: Applications are due September 30, 2020.

Description: The Arizona Diamondbacks Foundation, Inc. and the University of Phoenix offer the \$100,000 School Challenge that provides funding to Arizona educators to strengthen learning experiences. Grants are made in the areas of education programs, innovation and technology, nutrition and fitness, and school and campus improvements. Education programs should improve educational outcomes; innovation and technology

Arizona Educational Foundation
<https://www.azedfoundation.org/a-schools>

Deadline: Applications are due August 31, 2021.

Description: The Arizona Educational Foundation makes A+ School of Excellence Program Grants that recognize overall excellence in Arizona schools. Grants are intended to increase confidence in schools and encourage parental and community involvement and support. Interested schools must model all specified qualities of excellence and demonstrate high achievement or growth over time for all students through assessments.

Freeport-McMoRan Foundation
<http://www.freeportinmycommunity.com/pages/womens-development-initiatives>

Deadline: Applications are accepted August 15 through September 30, annually.

Description: The Freeport-McMoRan Women's Development Grants support specific programs and projects that target women and girls. Priority projects and programs include initiatives targeting education; mentoring or leadership development; entrepreneurship and employment; and physical and mental health and wellness.

Bayer Fund

<https://www.fund.bayer.us/grant/2016/8/15/first-robotics-program>

Deadline: Applications are accepted August 15 through September 30, annually.

Description: The Bayer Fund makes FIRST Robotics Grants that give financial support to student robotics teams competing in activities affiliated with For Inspiration and Recognition of Science and Technology (FIRST), a science, technology, engineering, and mathematics program dedicated to inspiring students to become science and technology leaders.

Arizona Association for Gifted and Talented

Deadline: Applications are due March 1 and October 31, annually.

Description: The Arizona Association for Gifted and Talented (AAGT) is a nonprofit organization of educators, parents, and community members working together to better meet the unique needs of the gifted and talented students in Arizona. The AAGT supports the continuous improvement of educational opportunities for gifted and talented students commensurate with their needs and abilities. AAGT Teacher Grants fund

Kinder Morgan Foundation

<https://www.kindermorgan.com/community/>

Deadline: Applications are due February 1, May 1, August 1, and November 1, annually.

Description: The Kinder Morgan Foundation awards grants to programs that benefit kindergarten through grade 12 youth and focus on science, mathematics, art, and music. The goal of the foundation is to help these students become engineers, educators, and musicians who will support diverse communities in the future. Specific focus areas include academic programs, including tutoring; and arts education programs.

Arizona Science Center

<https://www.azscience.org/educators/field-trips/plan-your-field-trip/title-one-schools/>

Deadline: Registrations are accepted year-round.

Description: The Arizona Science Center offers school field trip admission for Arizona kindergarten through grade 8 students at public schools with Title I status. To qualify, teachers must first attend a focused field trip orientation. At the orientation, teachers receive materials to prepare their student groups for a science, technology, engineering, and mathematics-centered field trip at the center.

Salt River Project

<http://www.srpnet.com/education/grants/pofmini.aspx>

Deadline: Applications are accepted until funds are depleted.

Description: The Salt River Project offers Powering Our Future Grants that support Arizona classroom teachers to purchase supplementary materials and supplies to teach the hands-on components of the Powering Our Future curriculum. The program is a comprehensive renewable energy education program, available free-of-charge to all Arizona students and educators.

Texas Instruments Foundation

<http://www.ti.com/about-ti/citizenship-community/communities-giving/giving.html>

Deadline: Introductions are accepted year-round.

Description: The Texas Instruments Foundation awards grants to help improve science, technology, engineering, and mathematics (STEM) education; advance quality of life; and address critical needs in the major site communities where Texas Instruments operates. Focus areas include kindergarten through grade 12 education, community investment, and arts and culture.

Bridgestone Americas Trust Fund

<https://www.bridgestoneamericas.com/en/corporate-social-responsibility/community>

Deadline: Applications are accepted year-round.

Description: The Bridgestone Americas Trust Fund makes grants in the areas of education, child development and welfare, and the environment and conservation. Examples of previously funded programs include expanding music education for students in kindergarten through grade 12 and promoting professional development for music teachers; hands-on botanical and art museum experiences for children who are underserved

Arizona Education Association Foundation for Teaching and Learning

<http://www.arizonaaea.org/home/240.htm>

Deadline: Applications are accepted year-round.

Description: The Arizona Education Association Foundation for Teaching and Learning offers professional development opportunities and grants for innovative classroom projects. The Allen W. Saylor Fine Arts Grant provides scholarships to underserved children for the development of an appreciation of fine arts such as music, drama, dance, and art.

Donegan Burns Foundation

<http://doneganburns.org/grant-focus/education-resource-grant/>

Deadline: Letters of Inquiry are accepted year-round.

Description: The Donegan Burns Foundation makes Education Resource Grants that support in-school and after-school programs. Funding is intended for the purchase of technology, materials, and for training to develop and deliver education programs for children and youth.
